## REPORT OF SUPERINTENDENT

Dear Community Members,

We are proud to serve this community. There is tremendous support for our students by the community, and we are privileged to work daily with dedicated staff members who make a difference for children. Our District expects excellence and challenges students to be the very best.

It has been a challenging year with regard to school finance, but that has never dampened the spirits of our staff. Continuing our strategic plan is proof that this district and its community will strive to continue to deliver excellence and will use data gleaned from assessments like the Measure of Academic Performance (MAP) to design curriculum and instructional activities to best meet the needs of every student.

We strive to be good stewards of the taxpayers' money and will continue to look for ways to be more efficient with our resources. We remain committed to be sensitive to the needs of the community and the children of Oconee County. Looking for ways to work with the county and to share our resources and expertise with one another is indeed a celebration of such collaboration.

Will there be more challenges for us in the year to come? Yes, we will be called upon to continue on our path of excellence without needed state funding; however, we wish to express our heartfelt appreciation to the citizens of Oconee County for placing public education as a priority in its future and continuing to be supportive of our schools. We will strive to reach our potential of being one of the best public school districts in South Carolina and in this great nation.

Andrew P. Inabinet, Chairman, Board of Trustees  
Mike Lucas, Superintendent of Education
